

# From Assessment to Action

New preferred pricing for districts that adopt the full SAT Suite of Assessments and Khan Academy Districts.

College Board® and Khan Academy® are deepening their partnership to support districtwide skill-building and SAT preparation. When districts purchase the full SAT Suite of Assessments (PSAT™ 8/9, PSAT™ 10 or PSAT/NMSQT®, and SAT® School Day), they can access a Khan Academy District Partnership at a reduced cost of \$10/student, creating a more coherent approach to college readiness that makes students **14× more likely to reach recommended learning levels.**

## WHAT DISTRICTS CAN DO WITH THIS PARTNERSHIP

- **Get benchmark data early to guide action**, helping leaders focus support where it's needed most.
- **Provide consistent, intentional SAT preparation** for students using official, expert-created content.
- **Support teachers with clarity**, including ready-to-use resources and AI-powered tutoring grounded in trusted instruction.
- **Lower financial barriers** through bundled pricing that connects assessment and instructional support.

This partnership isn't about adding another program. It's about creating a coherent college readiness strategy — one that connects assessment, instruction, and supports using tools districts already know and trust.

**Talk with your College Board or Khan Academy representative to learn how this partnership can support your district.**

## WHY THIS MATTERS FOR DISTRICTS

Districts invest significant time and resources in assessment. This partnership helps districts maximize the value of that investment.

- **Through the full SAT Suite**, students and educators receive early benchmark data on the skills that matter most for college and career—along with insights that guide readiness-building for greater impact. The SAT Suite is more than a test—it's a research-based system that provides a trusted measure of readiness and meaningful insight over time. Using the full Suite helps schools align instruction, streamline assessment, and better support students on their paths to college and career.
- **Khan Academy Districts** helps educators and leaders act on those insights through SAT-aligned practice, instructional resources, and clear progress visibility.
